PROMPT

Submit a document containing a SELECT statement and screen snapshot for problem 1

RUBRIC

The student uploaded a file containing the required SELECT statement and the snapshot for problem 1

- ☐ 10 points
Both SELECT statement and the snapshot are uploaded. (10 points)
- ☒ 5-points +7.5 pts because of a tie
Only one requirement (either the statement or the snapshot) is uploaded. (5 points)
- ☐ 0 points
Neither SELECT statement nor the snapshot is uploaded. (0 points)

See the suggested solution for problem 1 in the module 4 assignment solution for Oracle

You should use your best judgment to evaluate the syntax and required elements of the submitted SELECT statement.

- The statement includes city, state and zip columns from the CUSTOMER table.

- No obvious syntax errors such as missing commas or misspelled keywords

- ☒ 10 points
Excellent: All the requirements are met. (10 points)
- ☐ 9 points
Good: No syntax errors and only 1 or 2 missed requirements (9 points)
- ☐ 7.5 points
Average: No syntax errors and 3 to 5 missing requirements. (7.5 points)
- ☐ 5 points
Below average: No syntax errors but more than 5 errors (5 points)

- ☐ 0 points
Poor: Syntax errors so statement does not execute. (0 point)

Please provide your feedback to the student based on his/her performance in problem 1.

J Geethapriya

you uploaded only snapshot.please check the instructions you should upload the document along with snapshot
